

Events organized by  
*Department of Textile  
Engineering*  
UET Lahore, Faisalabad  
Campus

# Lecture from Hafiz M. Tayyab as representative of Society of Dyers and Colorist U.K (Pakistan chapter) on 2015

- Important Application of Dyes & Auxiliaries in Textiles
  - The event was conducted in November of 2015
  - The lecture was an informative one and enlighten us with different types of the industry problems, their solutions and information was also shared about the SDC, UK society.

# MOU and SDC event at UET Textiles was reported internationally as well

## SDC Pakistan

A number of events took place in December organised by SDC Pakistan.

UET event

### Important Application of Dyes and Auxiliaries in Textiles

The lecture was organised by the Department of Textile Engineering (INNOTEX Textile Society, UET) and SDC at the Centre for Advancement of Textiles, UET Lahore, Faisalabad Campus. The speaker was Hafiz Muhammad Tayyab and he gave a detailed update on dyes, colour and dyeing. Information was shared regarding colour theories, perception, dye classification for various fibres and selection of dyes. The students were also enlightened about the latest developments in dyes. A lively and informative question and answer session took place.

Mr Tayyab also introduced the SDC to the students, outlining the benefits of membership. At the end a souvenir was presented to the speaker by Dr Muhammad Mohsin (Head of Textile Department) and Mr Ali Hasan (President INNOTEX Textile Society, UET). The INNOTEX Textile Society of Department of Textile Engineering has requested future events and four more are planned for 2016.

### Colour Fastness and Colour Measurement

This event took place at National Textile University (NTU), FSD. The speaker was Hafiz Tayyab, CCol ASDC and Chairman SDC Pakistan.

Around 250 participants comprising university students, faculty members, and technicians from industry participated.

The speaker highlighted the importance of colour fastness and colour measurement in the textile industry and explained various fastness

methods developed by SDC and AATCC. He also covered why fastness to colour is desired and how it is determined. The machines used for measuring colour fastness were also discussed. Similarly the methods of colour measurement and the machines used for colour measurement and their working principles were explained. The event finished with a question and answer session.

NTU event

NTU event

### MOU signing ceremony between UET Lahore and SDC Pakistan

Also in December, a Memorandum of Understanding (MOU) signing ceremony was held at UET (University of Engineering and Technology) Faisalabad Campus between the SDC and UET.

In the MOU the main features are to advance the activities of SDC in

NTU event

Pakistan and deliver training and skills development programmes in industry and for students. With these activities, SDC Pakistan hopes to encourage more members.

The ceremony was organised by Department of Textile Engineering (INNOTEX Textile Society, UET) and SDC and took place at the Centre for Advancement of Textiles. The MOU was signed by Faisalabad Campus Coordinator, Prof. Dr Naveed Ramzan and SDC Pakistan Chairman Hafiz Tayyab, in the presence of Dr Muhammad Mohsin, Head Department of Textile Engineering UET Lahore and Vice Chairman of SDC Pakistan.

UET is the oldest and best public sector engineering university in Pakistan. The MOU aims to provide specific education and training opportunities in textiles and colour through direct linkage and mutual cooperation between UET and SDC. Colour related research and training will be provided. Dr Mohsin and Mr Tayyab will act as coordinators in the implementation and execution of the MOU.

An ASDC certificate was also presented to Dr Mohsin as he was unable to attend the SDC Day of Celebration.

For details of future events in Pakistan please check the website or email: [hmtsdcpakistan@hotmail.com](mailto:hmtsdcpakistan@hotmail.com)

MOU signing ceremony

# Remembrance of the Martyrs of APS Peshawar

- The event was conducted in December
- The event was conducted in the remembrance of the innocent lives lost in the attack at APS Peshawar and the solidarity with the peoples who lost their children's in the horrifying attack

# Spring Carnival Event 2016 at UET Faisalabad

**Campus** was organized by the society and  
joined by Sphere mill

# Kamal Textile General Manager (GM) delivering lecture at the Department of Textile Engineering, 2016

# Participation in Invention to innovation event 2017 at Punjab University and Won the 4<sup>th</sup> Prize Overall and **1<sup>st</sup> in Textile Innovation**

# Textile Department Participation in Textile Exhibition at Agriculture University

# Visit and lecture delivered by Prof. Martin King, North Carolina State University, USA at the UET Department of Textile (2017)

# Visit of textile experts from Sapphire at UET Textile 2017

## German delegation visit at UET Department of Textile

# Seminar on “How to publish impact factor paper” for the UET FSD Faculty (13-9-2017)

## CPD Lecture on ZDHC and Environment Sustainability by Dr. Muhammad Mohsin

27-11-2017

# HEC-STEM exhibition organized by textile department at UET FSD Campus

SDC International Design Competition for  
Students 2018

# 1<sup>st</sup> International Conference on Sustainable Textiles 2018

Top Pakistani Textile Brands Exhibition 2018

Date: 03-May-2018

# SDC-UK (Pakistan Chapter) International Textile Competition at UET FSD 2018

# Pakistani Textile Brand Exhibition at UET FSD 2018

Students of B.Sc. Textile Engineering (Session 2016, 2017) Best Fibers (pvt.) Ltd.

2018

13-11-2018: OBE training conducted by Dr. Muhammad Mohsin for the faculty of UET Lahore, Faisalabad Campus.

# Students of B.Sc. Textile Engineering (Session 2016, 2017) Nishat Mills (pvt.) Ltd.

01-12-2018

CPD workshop by Dr. Aamer Abbas Khan (Assistant Professor, Department of Textile Engineering)  
Topic: Carbon from recycled cotton and plastic waste for industrial applications.

04-12-2018

13-12-2018: OBE training conducted by Dr. Muhammad Mohsin for the faculty of UET Lahore, Faisalabad Campus.

Students of B.Sc. Textile Engineering (Session 2015, 2016, 2017) Crescent Bahuman (pvt.) Ltd.

06-03-2019

# SDC-UK International Design Competition for Students 2019 (Pakistan Chapter)

---

**03-April-2019**

# 2<sup>nd</sup> International Conference on Sustainable Textile 2019

03-April-2019

# Top Pakistani Textile Brands Exhibition 2019

**03-April-2019**

**Mr. Mujtaba Rahim (CEO, Archroma) & Prof. Dr. Waqar Mahmood (Director, KICS) visited Department of Textile Engineering**

**03-April-2019**

# MOU signing between SDC-UK and UET Textile Department

# Students of B.Sc. Textile Engineering (Session 2016, 2017, 2018) visited Nishat Mills (pvt.) Ltd.

03-October-2019

Engr. Wajid Latif (GM-Technical, Sapphire Fibers Limited) delivered a lecture to students & faculty of Department of Textile Engineering.  
*Topic: Current & Future trends of Pakistani Spinning Industry.*

27-November-2019

CPD workshop by Dr. Usama bin Humayoun (Assistant Professor, Department of Textile Engineering)  
Topic: Towards facile & sustainable engineering of Nano-materials.

05-December-2019

Students of B.Sc. Textile Engineering  
(Session 2016, 2017, 2018)  
visited Crescent Textile Mills (pvt.) Ltd.

06-December-2019

Dr. Shafiq Ahmad (Country Manager, BCI) visited Department of Textile Engineering & delivered a lecture to students and faculty.

**Topic: Present and future of Better Cotton Initiative in international market and Pakistan.**

12-December-2019

Prof. Dr. Long Lin (Chairman, Department of Color & Science, University of Leeds, UK) visited Department of Textile Engineering & delivered a lecture to students and faculty.  
**Topic: Digital Printing: An overview and its advantages.**

13-December-2019

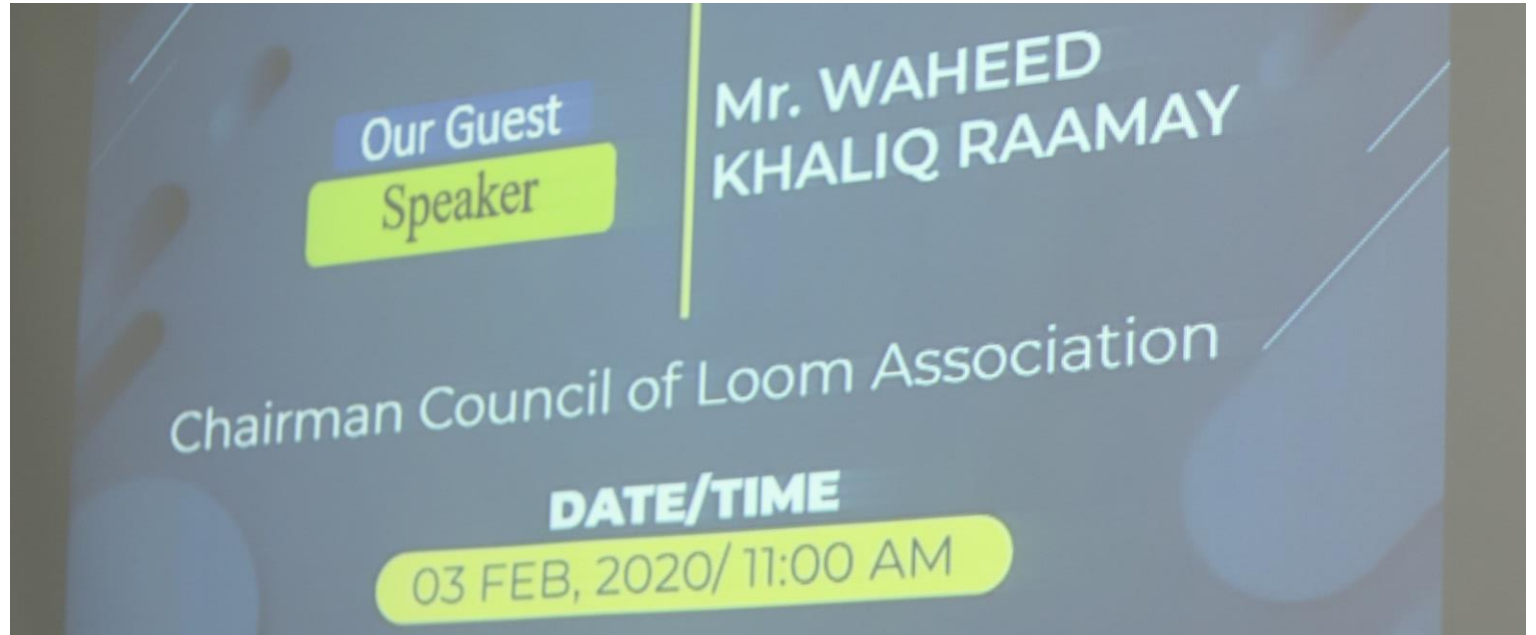

OBE cell of UET Lahore, Faisalabad campus organized a seminar for the faculty members of campus to get them familiarize with "OBE, Taxonomy levels, and CLO attainment".

The resource person for this seminar was "Dr. Muhammad Mohsin", Chairman, Associate Professor, Department of Textile Engineering, UET Lahore, Faisalabad campus.

29-01-2020

Mr. Waheed Khaliq (Chairman, Council of Loom Owners Association) visited Department of Textile Engineering and had an interactive session with the students of B.Sc. Textile Engineering.

---

03-02-2020

Mr. Lukas Rebentisch  
(Director, Project  
Manager, Sustainable  
Pakistan, Consulting  
Service International  
Ltd.) visited  
Department of Textile  
Engineering and gave a  
lecture to the students  
of B.Sc. Textile  
Engineering.

A training session was jointly organized by WWF-Pakistan & Department of Textile Engineering, UET Lahore, Faisalabad Campus. Topic was "Training on ZDHC for Textile Industry".

11-02-2020

Dr. Khurram Tariq (CEO, Kay & Emms) visited Department of Textile Engineering and had an interactive session with the students of B.Sc. Textile Engineering.

---

# 3rd International Conference on Sustainable Textile 2020

SDC-UK International Design Competition for Students  
2020  
Organized by "Department of Textile Engineering, UET  
Lahore, Faisalabad Campus"

Department of Textile Engineering  
UET Lahore, Faisalabad Campus  
Media and News Club UET FSD

Media and News Club UET FSD

## Top Pakistani Textile Brands Exhibition 2020

Organized by "Department of Textile Engineering,  
UET Lahore, Faisalabad Campus"

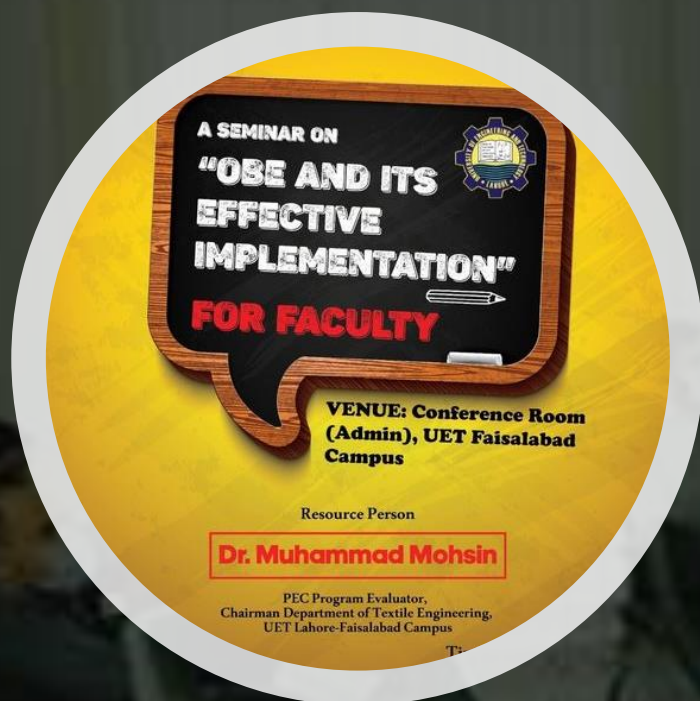

26-02-2020

Development of Pakistan's first indigenous, cost and performance effective bio based anti-microbial & Anti-viral Face Mask and full body protective suit.

Respected Mohammad Sarwar (Governor Punjab) appreciated the efforts made by [#Textile](#) department (UET FSD)

# A seminar on “OBE & its effective implementation” for faculty.

Resource person: Dr. Muhammad Mohsin, Chairman Department of Textile Engineering, UET Lahore-Faisalabad campus.

14-10-2020

**"Plantation Drive 2020"**  
**Venue: Department of Textile Engineering**  
**Timing: 11:30 am**  
**Date: 19-Oct-2020**

**Plantation Drive  
2020 at  
Department of  
Textile Engineering**

A seminar on "Mental Health for All"  
Greater investment,  
Greater access.  
& An awareness walk.

*Guest Speaker: Prof. Dr. Imtiaz Ahmad (Head, Department of Psychiatry & behavioral sciences, DHQ Faisalabad)*

Crescent textile team (Head of R&I, processing representative, compliance & engineering) visited the UET department of textile engineering.

08-12-2020

Students of Textile secured \*"2nd position"\* in "European Union Face Mask Competition" arranged by EU in Pakistan.

EU Ambassador H.E. Androulla Kaminara appreciated our students for their idea of Face mask. 27 universities from all over Pakistan participated in this competition.

A photograph of a seminar in progress. A group of people are seated in a large conference room, facing a presentation screen. The room has large windows and modern office chairs. The text "A seminar on 'Requirements for OBE based accreditation'" is overlaid on the left side of the image.

## A seminar on "Requirements for OBE based accreditation"

*Resource person: Dr. Muhammad Mohsin, Chairman Department of Textile Engineering, UET Lahore-Faisalabad campus.*

A photograph of the same seminar from a different angle. The audience is seated around a large conference table, looking towards the presentation screen. The text "17-02-2021" is overlaid at the bottom center of the image.

17-02-2021

A photograph of a seminar taking place in a lecture hall. A man, Dr. Muhammad Mohsin, is seated at a desk at the front of the room, facing the audience. He is wearing a light blue shirt and a face mask. He is gesturing with his right hand while speaking. The audience, consisting of several men, is seated in rows of chairs, facing the presenter. They are also wearing face masks. In the background, there is a large screen displaying a presentation slide. The slide has a blue header and contains text. There are also smaller monitors on the desk in front of the presenter. The room has large windows on the right side, letting in natural light. The overall atmosphere is professional and focused.

## A seminar on “Requirements for OBE based accreditation (Part-II)”

*Resource person: Dr. Muhammad Mohsin,  
Chairman Department of Textile  
Engineering, UET Lahore-Faisalabad  
campus.*

Visit and recruitment drive from  
Sadaqat Textile Mills (pvt.) Limited at  
Department of Textile Engineering

05-3-2021

UET's Department of  
Textile Engineering  
made a step towards  
clean, green and  
pollution free Pakistan.

*"Conversion of  
Banana waste into  
value added textile  
products"*
